

Learning Lunch

Remote

School Meal Bags will be available for ALL of our Remote Learners

We will be using a weekly pre order system. An email will be sent out with an order form weekly to students. Each bag will include 5 complete meals containing protein, whole grains, fruit, vegetables, and milk. Instructions for storing, cooking or reheating will be included.

If you are eligible for Free Meals, bags are free, if you receive Reduced Price Meals, meal bags are \$2.00 per week. If you would like to purchase a 5 day meal bag, the cost is \$15.00 per week.

Meal bags may be paid for by adding funds to your student lunch account using Push Coin. Please contact your school's Food Service Department with any questions.
